TEXT WASH21 TO 84576 FOR EVENT INFO & RSVPs

Brothers,
It is truly an honor and privilege to serve as the Master of Washington Lodge this year. I want to formally congratulate the exceptional group of men elected and appointed to the officer line for 2018. I'm confident their collective talents and unparalleled drive will bring our lodge to the next level.

In addition to many traditional annual events, we have a number of new activities planned for the upcoming year, including:

- Jan 18thCigars & Cards @ Prohibitions Lounge
- Mar 15th.....Knife & Fork Degree @ NEW MC
- Apr 27thComedy Show @ Resch Center
- Jul 21st.....Lodge / District Picnic @ Bay Beach
- Aug 11thLodge Golf Outing @ Mid Vallee GC

I urge you to come and share in the fellowship! Many of the 'younger' lodge members are eager to connect with our elder brethren and hear your Masonic stories. Don't hesitate to give me a call if you need a ride or help getting to an event.

An area of focus this year is improving our lodge communication. We've implemented a text message service to stay up to date on upcoming events and making RSVPing simple (see RED at the top to get started). We'll also be rolling out a new website in January with timely, dynamic content. A full year calendar and information on the new website will be coming to you by mail and/or email in January.

On behalf of the entire 2018 officer line, I wish you and your family a happy and healthy 2018.

Fraternally,
Bro Jeremy Weller, WM

Winter is upon us – snow and cold weather – bad driving conditions .

This is a good time of year to sit in your favorite chair and read. Speaking of reading, do you have any Masonic Books that you have read and would like to share? Are you interested in obtaining a couple of books that have been read by others and the discussion of them has been interesting?

The Library/Museum is planning a Lightly Used Masonic Book sale. We would like to collect used books and perhaps help clean off your shelves for space to add to your collection. These books will be reviewed, and if any appear to be in better condition than those currently on the shelves, those books will be used as replacements. Books that are not used to add to the library shelves will be sold and the funds used to purchase new books. Books may be dropped off at the Library (on the lower level) or a call to 920-362-9898 can be made to arrange a pickup. More information on dates will be forth coming.

Speaking of the Library/Museum, are you aware that the library has over 1600 books? Some may be checked out for your use. Other books are for research and are to be used in the library. The library hours are flexible. A simple phone call to set up an appointment (920-362-9898) is the easiest way to make arrangements.

The Brown County Federation of Historical Organizations has scheduled the third Wednesday in May for the annual open houses at 14 historical museums. NEW Masonic Library/Museum participated last May in the third annual event and had over 50 people in attendance. We concentrated on the Library/Museum for our tours but realize people were also interested in the building. For 2018, this activity will be May 16 from 4:00- 8:00. In planning, we would like some volunteers who would be willing to work as tour guides. In looking ahead, we could schedule a tour planning session in April where input from guides would be valuable. If you would like to participate, contact Alice Byrnes at the “gmail” address listed above.

As a side note, thank you for the many cards and visits that the Masonic brothers have made to Jim Byrnes as he is recovering from a stroke that occurred on June 22. He is at Woodside Senior Communities and enjoys company. (1040 Pilgrim Way, Room 624, Green Bay, WI 54304)
