Greetings:  
We find ourselves at the beginning of a new year, full of hope and optimism for the possibilities that are soon to present themselves to our new corps of officers.

As the new Master of Washington Lodge I would like to congratulate the new officers of our lodge as well as those of Des Pere, Daylight, and Roosevelt lodge. I would also like to thank the members of our three youth groups, DeMolay, Rainbow for Girls, and Job's Daughters who all helped make our installation a wonderful experience!

I would especially like to urge each adult that is reading this message to take some of your time this year and devote it our most precious resource and our "best" hope for the future - our youth! Please take the time to visit them, they enjoy guests as much as we do!

As we start this year we encourage each of our members to attend regularly. We are looking forward to bringing in more new members, and embarking on several exciting projects. We want each of you to be a part of this and enjoy the comradery and sense of fulfillment that comes from participating in worthy endeavours.

As always dinner is at 6:00 pm before lodge so all members can join us for fellowship, regardless of your current degree. Friendship is the true cement that holds a lodge together, gives it strength, and helps it grow!

Fraternally,  
Joseph Chilcote  
Master Washington Lodge #21

## Library Notes

**Alice Byrnes, DLS**  
920-662-9191

The festive holiday season is behind us and we come into the winter season where it is nice to sit inside and look out at the snow falling or hear the wind blowing. This is a perfect time to curl up with a good book. We would like to remind you that the NEW Library/Museum is a lending library and there are many Masonic subject areas to peak your interest. With over 1600 volumes, certainly there are several you might enjoy reading.

Are you a presiding officer of a Masonic organization? Are you having difficulty planning programs? Part of the purpose of the Library/Museum is education – for others, not necessarily ourselves. We can offer: "Have Artifacts, Will Travel"; Masonic Presidents of the US with seldom discussed events that happened in their lives (did you know an oversize bathtub had to be installed in the White House for one of them?). We also have a program on the Building of the Flag and another on Historical Flags that have flown over our country. Still another program has been developed on the Symbolism of 3, 5 and 7. Those numbers are used frequently in Masonry, Eastern Star and Job's Daughters. Please give Alice or Jim a call at home at 920-662-9191 to arrange a program, or a meeting in the museum complete with tour.
