Well we are now entering the wonderful months of May and June, in which the warm sun and nice weather seem to perk up our minds and spirit. With the snow and cold gone please come out and join the brothers and officers of Washington Lodge in some fellowship and commaradary. These next few months should prove to be busy and prosperous months. We will be doing some degree work in the month of May, as we will soon be initiating a couple new brothers, and passing two more to the degree of Fellowcraft. For those interested in attending a degree at Heritage Hill in June, we will be planning an Entered Apprentice degree on the 18th of June at the park. Please enter from Lazarre and Riverside Dr, not the main entrance on Webster Ave.

Just an upcoming reminder we will be going dark in the month of July and August. There will be a few social events so watch the trestle board, but we will not have stated meetings

I would like to congratulate the brethren who took the time to make our "Friends and Family Night" a huge success.

We had several petitions that were filled out and are in the process of being brought back to the lodge. Looks like our interview teams will have a busy few weeks.

Our "Friends and Family" event was able to gross over fourteen hundred dollars through the silent auction. The proceeds were donated to the "First Book" foundation to provide books for children of low income families. This program has put books in the hands of hundreds of children, for many the first book they have ever owned.

I would also like to thank those brothers who participated in the working tools "Scavenger Hunt." It was refreshing to see all the children participating and learning about the working tools of Masons, and more so what their Fathers are doing those two nights a month at lodge. Those participating received a book, "My Dads a Freemason", it helps explain and unite Fathers, sons and daughters.

To all the Master Masons who have not been able to attend lodge meetings lately, I need your help. While serving as Worshipful Master it has been challenging and rewarding. It is my feeling that I have let our newly made Masons down a little, not having the time I would like to devote to their Masonic education. This is why I ask the help of Past Masters and other Master Masons of Roosevelt Lodge.

There is a Chinese proverb which says.  
"Tell me and I will forget  
Show me and I will remember  
Involve me and I will understand"

So I ask you, attend our meetings and practices, help these you master masons on their journey in Freemasonry

At this time here are our activities for May and June, but this could be subject to change, pending the outstanding petitions.

Have you noticed the various hats on display in the lobby of the North (flag pole) entrance? Several hats or headwear have caused comments and questions.

One lady approached the director and wondered about the white Fez displayed on a woman's head. It has the word "Ladies" and a Shrine emblem on it. She was concerned, as her husband had told her that there were no Lady Shriners. Actually, members of the "Ladies Oriental Shrine of North America" wear a white Fez during their meetings and are referred to as Lady Shriners. There is no Court in the state of Wisconsin. They support various projects that will benefit children in the Shrine Hospitals. The main charity project changes annually and this year the emphasis is on scoliosis. Other years they have supported such projects as spinal cord injury research or the purchase of special shoes for burn victims. Membership is open to female relatives of Shrine Nobles over the age of 18.

Have you noticed the toothbrushes in one areas of the display? Have you asked why they are there? They designate a charity project of yet another organization in the Masonic family.

Have you visited the museum lately? It is a wonderful transformation. Currently consideration is being given to have lighting placed above the display cabinets that are against the wall. A sample has been tentatively placed over one cabinet and we welcome your comments or donations toward the project. Perhaps your organization might consider adopting the lighting of a cabinet.

## Northeast Wisconsin Masonic Building Board

Greetings to all:

Spring has finally arrived, sort of, and The Building Board has approved many small projects around the grounds and in the building. A little trimming here and a little painting there...just spring clean-up chores.

The big project still being discussed and decided concerns the Lodge Room carpet. We have looked at samples but are still undecided as to color or colors. Any suggestions or ideas about the carpet choice would be appreciated.

Any ideas or suggestions about building projects are always welcomed, as well.

Have a happy and safe spring,  
Your N. E. W. Masonic Building Board

### This coming August...

**50 years ago**, the very first Jobie Jamboree for Wisconsin was held, thanks to the dreams and plans by Zeralla Haake, Bethel Guardian of Bethel #32, Green Bay

**46 years ago**, Connie Mraz was installed the first Grand Bethel Honored Queen of Wisconsin from Bethel #32, Green Bay.

**36 years ago**, Sharon Nichols was installed Grand Bethel Honored Queen from Bethel #32, Green Bay.

**32 years ago**, Michelle DeMary was installed Grand Bethel Honored Queen from Bethel #32, Green Bay.

**One year ago**, Ariel Goerl was selected to be installed Grand Bethel Honored Queen in August of 2009 from Bethel #32, Green Bay.

This upcoming Jobie Jamboree Weekend is very special to your local Job's Daughters Bethel. The state of Wisconsin is celebrating the 50th Anniversary of Jamboree. Without the dreams, ideals and plans by Zeralla Haake, the BG of #32 for 43 years, Jamboree wouldn't exist. This Jamboree is also special because it will have been 32 years since Bethel has had a Grand Bethel Honored Queen. Ariel Goerl will be installed Grand Bethel Honored Queen this August at Green Lake Convention Center.

 Radisson Paper Valley Appleton, WI

A hearty welcome to our newest members! As of this writing the Reunion is still a few weeks away. But I am confident our that our Spring Reunion will be a success and our attendees and newest 32nd degree Scottish Rite Masons, will be renewed in their Masonic education and indeed be – “better men” for having attended.

I had an opportunity to visit the Scottish Rite Supreme Council in Lexington, Massachusetts to attend a Leadership Seminar in March. Many of the members who attended voiced the very same concerns that our Valley is dealing with. For example all Valleys in the Northern Masonic Jurisdiction (with few exceptions) face falling membership numbers. At one time Green Bay boasted 1500 members. Our latest membership is around 500. To try and turn things around Supreme Council has developed the concept of – Convenience, Inspiration and Enjoyment. Everything our Valley does from Reunions, to Friend's Nights should meet these criteria for our members. Let us know if we have achieved this goal – or how we can next time.

Have a safe and wonderful summer!

Fraternally,  
 Gerry Brebner  
 Valley Secretary

We look forward to seeing you at the York Rite Chapter Festival if you have not yet petitioned see a York Rite member for more information and to find out the true word and add an important chapter to your Masonic Education!

Companions-

**“When we do something good for someone, we never know how far the effect will reach.”** How true this is! We are all human, and, when things go wrong, we are often quick to judge others; I propose that it should be equally easy to offer a compliment or a small word of encouragement to those we meet. We know not what trials they face; your smallest action could be enough to make them feel better! Remember, we are all charged to follow the Golden Rule, and it applies to everyone!

We have a Chapter Degree festival scheduled for Saturday, May 30th. This is a great opportunity for further growth in Masonry, and I encourage all Master Masons thinking of joining the York Rite to submit their petitions as soon as possible!

Fraternally,  
 Jeffrey C. Harrison, H.P.

We also invite those of our Brothers who have not taken the time to further their Masonic education, to join us and experience the satisfaction that can be found in the degrees of the York Rite bodies.
