Hello Brethren,

I hope this Trestleboard is finding you all well, and having a great fall season! Welcome to all of our new brethren in Roosevelt Lodge!

Brethren, I'd like to take a quick opportunity to express my sincere thanks to all of you for this past year in Roosevelt Lodge. I believe we've had a successful year. Each of you, whether you're an "old hand" or a "young buck" is to thank for that. The Roosevelt officers would like you to know that it was great seeing so many of you at the meetings or events that we've done this year. Without hesitation, I will say that this past year has been a learning experience for me, and an experience I will keep with me for life. I look forward to next year, and also the coming years, and will pray to see the lodge continue to grow and prosper.

Brothers,

I would like to welcome all of the new members that have joined us in Washington Lodge, and congratulate our two latest Master Masons Roger and Shawn. As our year quickly comes to an end we have just a couple more meetings left, during which we need to accomplish several more degrees and elect a new corps of officers for the upcoming year. Our meetings each month are on the first and third Thursday at 7:00 pm with dinner and fellowship prior to the meeting at 6:00 pm at which everyone is welcome including spouses.

Upcoming Meetings:

Thur., November 1st – Election of Officers and a special presentation "Have Artifact Will Travel" promoting and explaining the N.E.W. Masonic Library and Museum.

Thur., November 15th – Fellowcraft Degrees

Thur., December 6th – Master Mason Degrees last meeting of the 2012 Masonic year

Once again thank you and congratulations to each of the brethren that have served with me this year, and I look forward to sitting on the sidelines next year for the first time in a long time. It has been a year filled with growth and learning for all of us, and it makes me very proud to be a part of such a wonderful Lodge, as noted in the Masonic Journal we should be especially proud of our commitment to the ritual as shown by our participation in the degree competition each year.

I would like to give a special thanks to the members of all of the other Lodges in the area that have stopped in to visit us and or participate in our work in this wonderful gentle craft we call Freemasonry. I am grateful to be able to travel and always be in the company of brothers and fellows that have traveled the same path as I have, and to follow in the footsteps of some of the greatest men in history.

So may we ever meet, act, and part my brothers, and remember to always support our youth as they are our future and our support of them will in turn be rewarded by their support of us. Rainbow, DeMolay, and Jobies are our charges, support them in any way available to you.

Fraternally,
Joseph Chilcote WM, Washington Lodge, F&AM

The most recent display in the north Lobby (flag pole entrance) features Shrine Fezzes. Several are old embroidered fezzes with no jewels and others are rather ornate with many jewels. A young boy of about 10 years of age was in the museum a couple of years ago and he questioned why some had jewels and others did not. I wonder how many older people would be that observant. Our answer was the embroidered fezzes were older ones in our collection.

Did you notice the white fez? Yes, that is a scimitar incorporated into the design. Members of the "Ladies Oriental Shrine of North America" wear the white fez. The LOSNA is not an auxiliary of the Ancient Arabic Order of the Nobles of the Mystic Shrine. It is a separate and distinct Order. The organization was formed in 1903 in Wheeling, WV. While there is not a LOSNA court in Wisconsin, there are members living within the state.

We would like to remind you again of the informal Masonic Study/Discussion group that meets on the fourth Tuesday in the Masonic museum. Please feel free to attend. Topics are taken from the monthly "Short Talk Bulletin".

GOVERNMENT OF THE ORDER OF THE EASTERN STAR

The heart of the Eastern Star is in the local chapter. For proper administration, these chapters join to form a larger state organization, the Grand Chapter. To facilitate uniformity and coordination of effort, these jurisdictions work together under the General Grand Chapter. There are more than 13,000 local chapters with a membership in excess of two million, which serves this Order. The membership encompasses 15 countries which have active chapters.

PURPOSES OF EASTERN STAR

Dr Robert Morris, the poet laureate of Masonry, founded this Order in 1855 using beautiful and inspiring biblical examples of heroic conduct and moral values. These portray the noble principles that should adorn the personal lives of Eastern Star members. Eastern Star strives to take good people and through uplifting and elevating associations of love and service, and through precept and example, to build an Order which is truly dedicated to Charity, Truth and Loving Kindness.
