A special visit from our name sake and Most Worshipful Grand Master Dr. John Wilke; along with a great Trowel Fest picnic were some highlights that we will be talking about for years. We also had a 2 blessed events to celebrate, the Birth of our latest family member Charlotte Atlas (daughter of Jordan and Amanda) and the marriage of Ray and Stephanie Pyrous.

I specifically ask all those brothers that were initiated, passed and or raised this past year to make one of the next meetings, we really enjoy your company.

PROGRESS UPDATE

NORTHEAST WISCONSIN MASONIC LIBRARY/MUSEUM

The floor has been repaired and new carpeting has been installed. That alone made a huge difference in the general appearance of the museum.

Several display cases have been purchased from a local store going out of business. These cases have been moved into the museum and items are being prepared to go into the cases.

The transformation has been exciting to watch. As each display case is filled and pictures are hung on the wall – a dream is coming true. As one person said "it is starting to look professional".

Please stop into the museum to watch the progress. It is your museum and we want you to enjoy it.

With the increased display space, now might be the time to donate some of your Masonic memorabilia for others to enjoy.

In October packets were sent to each of the voting bodies, containing proxies and nomination forms for the Building Board Elections that are being held on Monday, November 17th. The nomination forms are optional, but it would be good (for the Board and Voting Members) to have some background information on a perspective candidate. The proxies are to be used for a Voting Member who cannot be present that evening. The elections will take place **Promptly at 6:30 PM.**

Rent invoices will shortly be sent. You may or may not be aware that, sadly, Charles Lawton OES has disbanded. The rent that was being paid by them will have to be absorbed by the other building tenants. Our costs to operate the building (as they are with everything) are rising. The Board will do everything it can to keep the rents as low as possible. We would appreciate your help by turning the lights off before you leave the building. Check to make sure the bathroom lights are off and the chandelier (in the foyer) is turned off – these are often found left on in the morning. *Your cooperation is heartily appreciated!*

For a little fellowship, the NEWMC is having another movie night! There was a positive response to our last movie night in April, so we are having another one. As a way to honor our Veterans, (on Veterans Day – Tuesday, November 11th) the feature presentation will be the 2006 film, **“Flags of Our Fathers”**. The life stories of the six men who raised the flag at The Battle of Iwo Jima, a turning point in World War II. **It is rated R.** We will have popcorn and soda. This event is free. Showtime is at 7 P.M. (there may be a cartoon or two before the show, in case you are running a little late). Why not bring a friend and join us? We hope to see you there.

November 17 7:00 pm Celebrate Thanksgiving

November 22 7:00 pm Celebrate Christmas

October 15th we had a joint official visit/school of instruction meeting with Valley Shrine, Neenah and Bethel Shrine, Oshkosh. It was an exceptional meeting for all in attendance.

Nazarene Shrine is excited over the fact that they have successfully made application to the Supreme Shrine, White Shrine of Jerusalem charity, Material Objective, for grants to help people with medical expenses. The first successful application assisted a young woman with \$ 1,509.00 and the second application assisted a man with \$ 1,999.29. Two more applications have been approved by Nazarene Shrine to send to the National Board for Material Objective. We are proud to be a part of the Masonic Family with the various benevolent projects we support.

Put it on your calendar & watch for details.

A very important message to our Companions, Sir Knights and a reminder for all Masons.

Please be sure to support the elected & appointed Officers of the organizations you are part of but especially those of Warren Chapter & Council this term. These Companions will be in office for about seventeen months due to constitutional amendments to change the calendar year to sync up Chapter & Council with the Commandery year.

We ask that you support them in the following ways:

- Always, respond to emails and invitations for events promptly, so that they can get headcounts.
- Be at meetings when required or inform someone in advance of the meeting.
- Offer to help arrange or setup for meetings or degrees or offer to take a part in degrees.
- Bring in new petitions to help grow the York Rite.
- Many hands make light work.

- Remember, the story and lessons the York Rite has to offer. This IS the completion of Ancient Craft Masonry, and this is also where the True Word can be found. Come join us and further your Masonic Education.

The Officers of the York Rite Bodies of North East Wisconsin Thank You and look forward to seeing you.

Respectfully Submitted the “Officer of the York Rite Bodies”
