Brothers; First, let me thank you all for your contributions, help and friendship this summer. As many of you know, your Lodge has been busy this summer. We've raised 4 MM's and completed the second section of a FC; had a visit from our Most Worshipful Grand Master-Dr. John W. Wilke and The Grand Marshall Tom Tourville. We also had a surprise visit from the name-sake of our Lodge, President Theodore Roosevelt (we found out about his specific ties to WI-namely being shot in Milwaukee). We had the Trowel Fest picnic, attended by 45+ brothers and friends. Many thanks to: Kevin, Chris, Mike and our newest petitioner Dave. Please check out our website. www.roosevelt322.com

Welcome back to light my Brothers. We had a fun and busy summer. First I would like to thank Bob and Bonnie Vanderleest for once again hosting our Lodge picnic. It was a great day of food, fun and fellowship, and let's not forget shooting trap. We have some fine marksmen in our Lodge.

I would like to greet our newest Master Mason in Washington Lodge, Steve Dixon, who was raised in July. This would not have been possible without the outstanding support and help of Gary Cornelissen, Tom Pinney and John Pratt. Thank you brothers. We still have lots of work to do and by the time you read this we will have initiated two or three more men!

Besides our upcoming degrees we will be having a table lodge on the second meeting night in September. Past Master John Huss is putting together a special treat for us all so be sure not to miss it and call me at 737-4582 or Secretary John Derenne at 494-5205 to make reservations.

Lastly, in order to promote fellowship and spread the cement of brotherly love we will be moving our social time to 6:30 instead of having it after the closing the Lodge. This will allow our EA and FC brethren to join us and those who can't stay up as late to still enjoy some fellowship and a little bit of ritual.

I hope you enjoyed your summer and I will see you in Lodge. Fraternally,
Dan Lyons WM

The Northeast Wisconsin Masonic Museum was closed from Mid-April until Mid-August due to repairs necessitated from water coming up through the cracks in the floor.

Luckily, no fixtures or artifacts were damaged, but the carpet needed replacing due to the staining and mold that had built up over the past few years from previous seepage of water.

The room was cleared, carpet removed, drain tile placed along the major cracks, other cracks sealed, and an additional sump pump installed.

New carpet squares were installed at a cost of about \$ 3,000.00 and the room assumed a whole new updated appearance. Please come down and visit the museum the next time you are in the building.

Our student Library/ Museum intern has spent the summer cataloging the books in our collection. He has done an excellent job and we thank him for his assistance.

Brethren and Ladies, I sincerely hope that everyone in our Masonic "family" has had a safe and wonderful summer. I am happy to report that the water damage to the Museum has been resolved. Jackhammers cut a trench in the floor, a new sump pit and sump pump were installed, drain tile, gravel and poured concrete fixed the water problem (which was seeping into the Museum). An enclosure was built around the newly installed sump and finally new carpeting was installed. If you would like to see photos of the work being done they are now on the N.E.W. Masonic Center website: <http://www.newmasoniccenter.com/repairs.htm>

There has been a noticed lack of cleanliness in the kitchen. Crumbs have been left, coffee left on, garbage left in the kitchen, the dishwasher has been left on, lights left on, etc, etc. Unfortunately, with the current situation, fines will begin to be levied starting in September. Take due notice!

A special thank you to Virginia Riner and Linda Servia for cleaning our ovens over the summer. The ladies spent almost 6 hours cleaning them. Be aware that cleaning them costs the Masonic Center money. It is not part Virginia's normal cleaning job to clean the kitchen. When we have to pay to have the kitchen cleaned – rents will go up and we all suffer. Please keep this in mind and do your part to keep the kitchen, range and ovens clean.

You may have not heard but Dave Hull has sold PIP Printing. Future Trestle Board editions will be printed by our new printer - Sir Speedy on Packerland Drive in Green Bay. Please send all future articles to: office@sir-speedygb.com. As always the deadline for submissions is the 15th of the month.

Charles A. Lawton Chapter No. 270 O.E.S.

With sadness, the members of Charles Lawton #360 Order of the Eastern Star, have decided to close our Chapter. Founded in 1928, it is ironic and bittersweet that in our 80th year we are closing. We wish all our members well, and hope that they will continue their Masonic affiliation in another organization. Thank you to all who have supported us in the past.
