Well, I hope this letter finds all of my Masonic brethren and their families in good health during the last few warm days we are able to enjoy this summer. The summer months have been a refreshing time to recharge the batteries for me and my family, and I hope for all the officers and members of Washington lodge. We had a wonderful picnic this summer on July 18 at Robert and Bonnie VanderLeest's home. About 45 members and guests were in attendance. Thanks To the VanderLeest team for all the hard work and a very nice picnic.

As the fall slowly creeps in, it will be another busy season in terms of degree work that will be required to get all of our candidates raised to Master Masons. I also hope to see you all at a couple of our social events in September and October. In September we have been invited to Clintonville Lodge for help in celebrating their Table Lodge. This will take the place of our stated meeting night. In October I would personally like to invite anyone who reads this trestle board or any mason you know to attend our Table Lodge on October 29th, which is the 5th Thursday of the Month. Thanks to all who have given so much to Washington Lodge and as always if anyone has questions or concerns please feel free to call myself or the secretary.

Fraternally yours,
Marcus VanderLeest Master

Northeast Wisconsin Masonic Building Board

Greetings to all:

We hope that everyone had a safe and happy summer.

As you return to your meetings and look around the building the first thing you may notice is the new Lodge Room carpet. Now that the center section has been replaced we will be revisiting the question of whether or not to replace the rest of the carpet in the Lodge Room in the near future.

Remember, any ideas or suggestions about building projects are always welcomed.

Fraternally yours,
N. E. W. Masonic Building Board

Please look for some new developments in the Library/Museum.

Plans are underway for the next exhibit to be put in the display case in the North Lobby (flagpole entrance.) The museum has a collection of OLD officer jewels from several of the Masonic organizations. Please take your time and look them over - the artistic detail is unique.

Also, the Library/Museum Board of Directors has approved the installation of special lighting to be put above the new display cases that are against the walls. Donations have come into the Library/Museum and the donors are excited be able to add this improvement to the Museum.

A little reminder, the Library & Museum is an IRS approved "Tax Exempt Private Operating Foundation" All donations are tax deductible.the lighting of a cabinet.

We are looking for a new Director of the Work. Tom Turner is stepping down and we would like to fill this position by the next Reunion in November. It is hoped that the new Director will glean as much information as possible while Tom is still available. The position is a paid job (you are paid for Reunions) and you get your own office! If you are interested in the position contact Gerry Brebner at 336-8937.

We are looking to start making birthday calls to our membership. This is being done in the Valley of Eau Claire, and our Deputy Norm Christensen has asked all Valleys in Wisconsin try this as a way to reach out to our men who may not be as active in the Valley as they once were. Many of our members are elderly and it is hoped they might like to hear from us. If you are interested in helping please contact Gerry Brebner at 336-8937.

Congratulations to David Wade on being selected to receive the Meritorious Service Award. He will receive his "red hat" at the 2010 Council of Deliberation.

Fraternally,
Gerry Brebner

The White Shrine of Jerusalem is a charitable, fraternal organization for Master Masons and their female relatives over the age of 18. Our initiation is an impressive costumed portrayal of the Birth of Christ through the eyes of the Wisemen.

Our national charity project, Material Objective, assists those who have "fallen through the crack" with doctor, hospital, and medical bills. Currently we are assisting two families with ongoing medical bills.

Membership inquiries are welcome.
